## **STATE POLICY EXPENDITURE ON LEGAL MATTERS**

### **General**

From time to time the SKC may nominate a Solicitor to be the preferred company to provide legal advice to the AKA(Qld inc). Where this has been done, and where appropriate, the State Secretariat should direct all legal enquiries to that company.

At the time of adopting this policy, the AKA carries insurance that will cover the cost of defending legal action brought **against** the AKA Qld Inc. its member clubs and officers and professional indemnity for the State Secretary

The insurance does not cover legal costs for action initiated by the AKA or in the defense of criminal charges.

### **Delegated Authority**

The State Secretariat has delegated authority to obtain legal advice on any sporting matter and where the cost to obtain that advice is expected to be less than \$1000. Such advice is to be reported to the next SKC meeting after the advice is obtained.

Where necessary, this advice can be provided in a closed session of the SKC.

### **State Karting Council Approval**

State Karting Council approval is required before any legal action is initiated by the AKA Qld Inc.

State Karting Council approval is required for any legal expenditure on behalf of any member club or officer of the AKA Qld Inc.

Before legal expenses are incurred, an estimate, by the Solicitors involved, of total legal costs shall be obtained and reported to the State Karting Council.
