POLICY DELEGATES EXPENSES – FULL COUNCIL MEETINGS IN 2008

The Association wishes to reduce the number of meetings that the Council conducted, and restricted the meetings to the minimum of 3 per annum, including the Annual General meeting which is a law requirement.

The Association still requires the Management/Secretariat to meet on a monthly basis in accordance with the registered Constitution of AKAQ.

In order to ensure the full Council meetings are truly representative of the Clubs of the Association, the following will apply:-

AKAQ will provide and cover the expense as designated by the Management incurred by each club for a representative to attend the Council meetings of AKAQ – in order for that expense to be effective /paid, each Club must nominate a member of the Member Club's Executive to attend as the representative of the Club at these Council meetings.

Co Delegates are welcome to attend Council meetings but no expenses will be covered by AKAQ for the Co Delegate's attendance.

The consistency in this is that the Council will be able to hear the voice directly from the Clubs and from the persons who hold the responsibility of the Clubs' obligations to the Government departments and to their members.

Approved – Council Meeting Date SKC – 19/01/2008
